Dear Parents and Guardians,

This letter is to ask for the cooperation and support of all parents and guardians that pick up their child/ren at the end of the day. Our bus company has been in contact with me regarding the dangerous and difficult parking situation after school. There are many parents and guardians parking their vehicles on St. James Lane in areas that are not designated parking spots. The areas that are not designated parking spots are those areas that become very narrow going towards the 8th Line and where vehicles are parked parallel to the cemetery. With vehicles parked in these areas it becomes very difficult for our busses to depart in a timely and safe manner. Moving forward, we are asking that parents and guardians park on the other side of the church when all the official parking spots opposite our school are occupied. This will help to ensure the safety of all our students and the timely departure of our school busses.

Together in Catholic Education,

Ms. C. Monteiro-Almeida
