Additional Information

- ✓ I would like to take this opportunity to welcome everyone to St. James Catholic School. The small school with the BIG heart.
- ✓ Our First Day of School Procedures for students will be as follows:

Year 1 Kindergarten students will have a staggered entry. Letters were mailed to parents/guardians in July to inform parents of school visit date and the staggered start date.

Year 2 Kindergarten students will meet in the Kindergarten yard on the first day of school to be greeted by their classroom teacher and DECE.

Grade 1-8 students will assemble in the gym once arriving at our school. Students are asked to line-up at the signs posted on the gym walls indicating the new grade number. Teachers will call students based on the class lists.

Please remember that all class placements are tentative until approximately the end of the third week of school. This is when our School Board confirms staff numbers. Students may need to be relocated to a new classroom during that week.

Special Intentions/Prayers

Please pray for all our new and returning staff, students, and families. May we be able to work together as a community to accomplish all the goals set before us this school year.

LORD JESUS, thank you for inviting us to be part of your story - the story of your love for us, for all people, and for all your creatures.

Help us to live our faith each day with love, generosity and joy, so that we can BE that story for others, and help others to know and love you.
We ask this, Jesus, in your name.

AMEN
