Mon., Apr. 22	-Easter Monday

Additional Information

- ✓ Beginning in September 2019 our Board will be using a new notification system to help us communicate more effectively and efficiently with families. This new system will enable us to send notifications to parents and guardians using email, voicemail and text messaging. The notifications received by families could include school updates (example monthly newsletter), important board information (example summer school registration is open) or emergency notifications (example school lockdown).

The success of this system depends upon our board having the most up-to-date "School to Home" contact information on file, which includes a primary email address and cell phone number. To this end, we are asking every family in our board to complete this brief online form to ensure that we have the most current information entered into our student information system for the purpose of school to home communication. **You will need your child's school email address to complete the form (your child should know this as they require it to login to their google account at school).** Please take a brief moment to complete the information in this [School to Home Communication Form](#). If you have any questions, please contact our school directly.

Special Intentions/Prayers

I Will Lean In

(a daily prayer to say during Lent)

I will lean in, retreat from the pressures I face, and move closer and deeper into your love.
I will breathe out, refrain from the distractions I seek, and become open and receiving of your grace.
I will linger, encircled by the depth of your care, and receive the endless nature of your mercy.
I will whisper, in the quiet of this sanctuary, and be honest and real in your presence.
I will listen, awaken all my senses to your voice, and become expectant and hopeful of your kingdom work in my life.
Amen
